

COVID-19 does not stop us from living out our faith and growing together as disciples. We invite you to join us in spending time over scripture together as we encourage and pray for one another. Our church-wide Bible Reading Plan will begin this Wednesday, April 29th.

The Challenge: Pair up with another person at Grace and go through the Bible Reading Plan together.

1. You can choose to call each other every day and read the text together, talk every other day (going over what you learned the day before and reading through the Psalm together for that day), choose two days a week to connect over the phone, or pick one day a week to connect.
 - Talk about the text together. What does it tell you about God and yourself? Was there something you were reminded of or never knew? How can you respond to God based on the scripture?
2. Spend some time praying for one another on the call. Take time to talk about struggles, highlights from the week, and prayer requests.

*And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching. **Hebrews 10:24-25***
