# GOD IS SO WISE

Some of God's attributes belong to Him alone. For example, only God is eternal. But God chooses to share some of His attributes with people.

**1** Read Proverbs 2:6. What does it say? Copy the verse here:

# GOD'S WISDOM IN CREATION

**Instructions:** Color in the picture, then cut around the pieces. There are so many things in God's creation that show us God's wonderful design and wisdom. Ask a friend or family member if they can put your puzzle back together. Read Psalm 104:24 together.

# PSALM 111:10

The fear of the Lord is the beginning

of wisdom; all who follow his precepts

have good understanding. To him

belongs eternal praise.

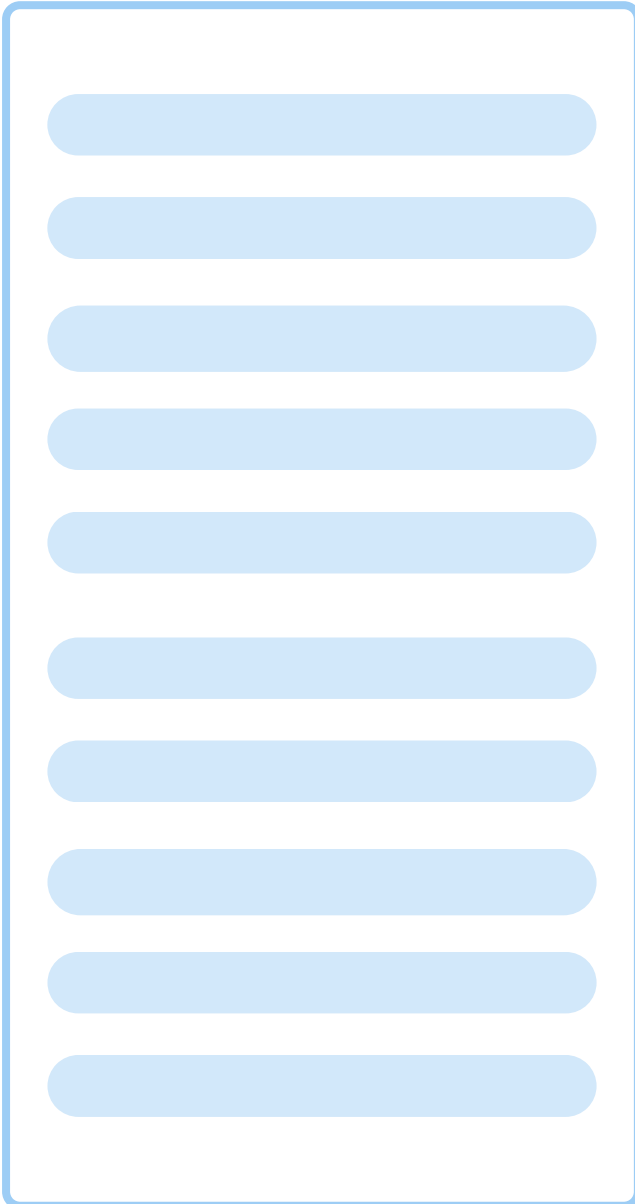

# God is Self-Sufficient

God doesn't need anything.

Spend time before dinner each day this week thinking about what you needed that day. Write these on slips of paper and place them in a jar.

Have a 2nd jar available to represent things God needs. Can you put anything in it?

**I need.....**
